“In these uncertain times, we need leadership that will protect what we value here in Farmington: good schools, low taxes, and public safety. The leader we need now is Brian FX Connolly. As your former Town Council member, I hope you will join me in supporting Brian and the Row A team.”

-John Vibert
former member of Farmington Town Council

“Affordability is a major concern for many of us right now. I need a reliable partner on the Farmington Town Council who will work with me to address the looming federal funding cuts to our schools and essential services –without passing the burden onto our property taxpayers or jeopardizing our town's top assets. Having worked with Brian FX Connolly since he first got elected to the Council, I'm confident Brian and his Row A team will do what's right for us.”

-Mike Demicco
State Representative
